#### 105 I. CALL TO ORDER

Ms. Teresita Q. Galang, OIC Chairperson, called the 16<sup>th</sup> Annual General meeting to order at 9:01 in the morning after an opening prayer led by Mr. Hermarex Ordan, Simbag Inc. MDS officer. She explained that she is presiding over the meeting since the Chairperson, Fr. Jose Victor Lobrigo, is on a foreign mission.

Ms. Galang introduced each of the Trustees present including Fr. Rex Paul Arjona, Independent trustee and the current audit chair. She informed the body that Fr. Eric Martillano will be appointed as the 7<sup>th</sup> member of the Board of Trustees.

She assured the body that she has been part of the MBA in various capacities. She added that she has witnessed how prudent the BOT has been in managing the MBA. In fact, she said that it is one of the healthiest MBAs in the country. She mentioned that her professional background is as a Certified Public Accountant and that she is a retired faculty of Bicol University. She shared that the 16th General Assembly held on a Saturday coincides with the second joyful mystery of the Holy Rosary and on the feast day of the Visitation of Mary to her cousin Elizabeth.

She then proceeded with the roll call of the MBA coordinators, SEDP MBA Management team and Staff, and the rest of the attendees.

The minutes of the meeting were recorded by Ms. Charmaine Tubalinal, Claim Processor, on behalf of Ms. Nica Madrona, the Corporate Secretary

967 Ms. R. Ballarbare reported the Statements of Financial Position, a significant increase of 11% in 968 the Total Fund Balance, from ₱442,984,140.00 in 2023 to ₱492,136,887.00 in 2024, reflecting a 969 solid and stable financial standing. She attributed this growth to sound fiscal management and 970 continuous efforts to optimize the Institution's investment and operational strategies. 971 972 She also highlighted the performance in terms of Comprehensive Income, which amounted to 973 ₱21,995,778 for 2024, compared to ₱24,242,602 in 2023, representing a 9% decrease. The 974 decline, she explained, was primarily due to a significant increase in benefit claims filed and 975 paid during the year—an indication that more members were served during times of need, 976 which remains consistent with the Institution's mission to protect and support its members. 977 978 In addition, Ms. Ballarbare discussed the Statement of Changes in Fund Balance, noting an 979 increase from ₱195,514,041 in 2023 to ₱212,506,988 in 2024, or an increase of ₱16,992,947. This positive movement demonstrates the Institution's ability to sustain fund growth while continuing 980 981 to fulfill its social protection commitments. 982 983 In closing, Ms. Ballarbare assured the assembly that the funds entrusted by members are being 984 managed with due diligence and accountability. She reaffirmed the Board's continued 985 commitment to ensuring financial sustainability and resilience, while remaining faithful to the 986 mission of delivering responsive and reliable microinsurance services to the community. 987 988 Ms. Galang further shared that the Institution's current ratio—which measures the ability to pay 989 short-term obligations—indicates strong financial health. She explained that for every ₱1.00 of 990 liability, the MBA holds ₱13.00 in current assets, signifying prudent financial management and a 991 solid liquidity position. 992 993 Prior to seeking ratification, Ms. Galang opened the floor to the members for any comments, 994 questions, or clarifications regarding the 2024 Audited Financial Statements. As no objections or 995 concerns were raised, Ms. Thelma Jaranilla, MBA Coordinator from Sorsogon City SPO, Sorsogon 996 City, moved for the ratification and approval of the 2024 Audited Financial Statements. The 997 motion was duly seconded by Ms. Amy Bombuhay, MBA Coordinator from Rapu-Rapu SPO and 998 unanimously approved by the general assembly. 999 1000 AGMM RESOLUTION NO. 04 - 2025. 1001 **APPROVAL OF THE 2024 AUDITED FINANCIAL STATEMENT** 1002 1003 RESOLVED, as it is hereby resolved, that the 2024 Audited Financial Statement be approved. 1004 1005 1006 1007 The votes cast and received on the approval of the 2024 Audited Financial Statements and 1008 Annual Report were as follows: 1009 1010 **Total Voting** Total Votes Votes in **Invalid Votes** Abstentions 1011 Members Cast Favor 1012 72,649 12,374 72,649 0 85,023 1013 1014 1015 VIII. For financial perspective, key initiatives are increase membership coverage and drive contribution

As part of the 2025 Annual Operational Plan, Ms. Gonzalo presented the Financial Perspective,
 outlining the Institution's continuing efforts to maintain and improve its financial stability and
 sustainability.

1355 She reported that the Institution is targeting a 19% increase in revenue, 11% improvement in 1356 return on investment, and a 19% growth in net surplus, while managing gross expenses at 18%.

1357 1358	The total assets are projected to increase by 10%, reflecting confidence in the Institution's financial strategies.
1359 1360	<ul> <li>To achieve these targets, Ms. Gonzalo highlighted the following key initiatives:</li> <li>Strengthening coordination with SPOs, MBA Coordinators, and organized groups</li> </ul>
1361	through Simbag Inc. to increase membership coverage and drive contribution growth;
1362	Maximizing investment returns through regular portfolio reviews and strategic
1363	reallocation of funds to high-yield, low-risk instruments in accordance with Insurance
1364	Commission regulations;

1369	strategies and performance targets aimed at deepening grassroots engagement and
1370	enhancing member experience and satisfaction.
1371	
1372	The Institution targets a 9% growth in membership, while maintaining a dropout rate of no more
1373 1374	than 5% of total members. Additionally, it is projected that 890 members will reach retirement age in 2025. These members will be encouraged to transition into the Dakila Plan, ensuring

1376	eligibility.
1377	
1378 1379	<ul> <li>To achieve these goals, the following strategic initiatives will be pursued:</li> <li>Strengthening support and coordination with Strategic Partner Organizations (SPOs) to</li> </ul>
